📍 Bogota, Colombia

Chemical Engineering undergraduate currently looking for internships or work experience in the field.

Organization, discipline, and the ability to solve problems in stressful situations are elements that make me stand out. Passionate about adventure sports and former president of the university hiking student association.

I have developed skills in first aid, rescue, fire fighting and instruction in the areas in which I excel; hence my motivation to be useful for my community and to be able to propel the development in my environment.

WORK EXPERIENCE

May 2013 - Present

Volunteer Firefighter

Simon Bolivar University

This is a voluntary organization in charge of fire services, emergency medical attention, rescue, and hazardous materials procedures on campus and surrounding areas.

In addition to dealing with emergencies, I was responsible for training the community in first aid basics, usage and handling of fire extinguishers, working at heights, among others.

📍 Simon Bolivar University (USB), Caracas, VE

Jan 2017 - Present

Web Developer

Freelance

I have work for clients around the world, and I did task as teamleader, solo projects, and collaborative works.

Mainly programming in Javascript, CSS and HTML, with some tests in Python for back-end connection. I acted as a code reviewer for other developers and I wrote clean and commented code myself.

📍 Bogota, CO / Caracas, VE

MORE EXPERIENCE

Sep 2018 - Sep 2019

President

📍 USB, Caracas, VE

OIKOS HIKING AND CLIMBING CLUB
